Introducing LMC Law

Lesniewski Moore Consulting Group Offers Advanced Tax Planning Strategies

As an Actuarial Consulting Firm we are entrusted to provide key tax planning strategies for advisors and their clients, primarily through retirement planning solutions. Foremost, this planning involves Individual Pension Plans, Retirement Compensation Arrangements and group benefit programs. Through the addition of LMC Law into our network, our clients now have access to advanced tax planning strategies in context of business operations, estate and legacy planning, and investing for growth. *

Leading the new law practice is **Lori Bokenfohr, LLM, TEP**. Lori is a member of the Law Society of Alberta and the New York State Bar Association, and holds a Masters of Laws in Taxation from Osgoode Hall, York University. Previously an associate at a global law firm based in New York, and in the tax group of one of the “big four” accounting firms, her knowledge of tax law is expansive, supported through a network of dedicated associates across Canada.
